Reference: Year End Report, April Quarterly

Dear Ms. Carmona,

This letter is in response to the formal written notification received by Chris John for US Senate of the Committee's receipts of contributions and/or expenditures in support of 2010 candidacy in excess of \$5000. Due to a malfunction in the reporting software used by the Committee, all transactions after the turn of the New Year were assigned the next election cycle. However, these transactions were all related to the 2004 General election, and should have been labeled as such. The attached amendments; one for the Year End Report and the other for the April Quarterly Report will reflect the accurate election cycle for both contributions received for debt retirement for the 2004 election as well as expenditures made to reduce debts incurred as a result of the same election. Thus, the Committee will not file a Statement of Candidacy for the next election cycle.

Thank you in advance for your consideration.
